AMENDMENT

Dear Sir:

Applicants respectfully request the following amendments be entered into the specification and remarks considered for the above-referenced patent application.

AMENDMENT

SEQUENCE LISTING:

Please replace the Sequence Listing filed on September 14, 2000 with the Sequence Listing enclosed herein.

IN THE SPECIFICATION:

Please replace the paragraph beginning at page 12, line 27, with the following rewritten paragraph:

--The present invention relates to the determination of the nucleic acid sequences of the complete or near complete genomes
